

Superintendent Position

Tomahawk Lake Country Club

Hwy 385

Deadwood, South Dakota

Tomahawk Lake Country Club, six miles south of Deadwood, SD, represents the best of the Black Hills. At an altitude of 5,280 feet in the center of the hills, its fairways and pristine vistas gives you the best of Mother Nature. This Arthur Hughes course with push up greens and natural fairways is designed to optimize the original landscape.

This course is supported by three maintenance buildings and a working shop. An equipment replacement process is in place with the most recent acquisitions a new 4066 John Deere Tractor along with a Toro 3400 greens mower.

Tomahawk Lake CC is seeking a candidate with the skills to assist in developing a plan to upgrade equipment and course infrastructure. This motivated individual must have communication and organizational skills.

Superintendent Responsibilities

Course management

- Daily course maintenance
- Management of full and part time grounds crew
- Hiring and training of grounds crew
- Repair and maintenance associated with buildings and equipment
- Chemical/fertilizer applications
- Irrigation systems maintenance
